**What is an Arizona tax credit?**

Arizona provides several tax credits which allow AZ taxpayers to make charitable contributions and receive a dollar-for-dollar reduction in their AZ tax liabilities. It's not just a deduction, but an actual tax credit. With it, you can redirect what you owe in state taxes-all at no additional cost to you. In other words, your state tax money goes directly to AZ charities or schools of your choice!

**Why participate in the AZ tax credit program?**

We see needs in our community every day, and tax credits allow AZ residence to choose how their tax dollars are spent. Instead of sending their tax dollars to the state's general fund, taxpayers can send their tax dollars directly to causes they believe in. Making a tax credit contribution is a way of paying your tax liability.

**Do I really get my money back dollar for dollar?**

The State of Arizona credits that contribution towards your taxes owed! It is not just a deduction, but an actual tax credit.

**How do I qualify for any of the tax credits?**

You qualify if you pay any amount in Arizona state income taxes. Claim the credit on your Arizona state income tax return with **form 321**.

**Can I participate in more than one Arizona tax credit?**

Yes, they are all separate credits, and you can claim them all on your tax return.

**How much can I give?**

Each credit allows for a different contribution amount. PD Care Connection falls under the Arizona Charitable Tax Credit which allows you to donate up to \$987 for a joint filing or \$495 for a single filing. Consult your tax professional.

**Where do I find my tax liability?**

You can find your tax liability on your most recent AZ income tax return, form 140, line 48.

**What is the deadline for contributing for the 2025 tax year?**

The deadline to contribute is April 15, 2026.

**Where can I get more information on Arizona tax credits?**

Please visit the Arizona Department of Revenue website or contact your personal tax advisor.
